

Webinar: The Patient's Understanding of Benefit Risk

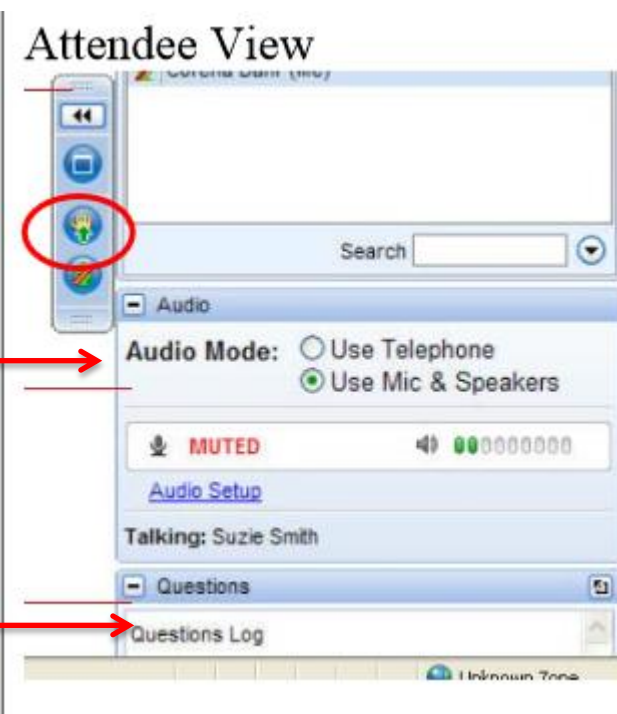

Webinar: The Patient's Understanding of Benefit Risk

Raise your hand

Dial in or headphones

Ask a question

The screenshot shows the 'Attendee View' interface. On the left, a vertical toolbar contains several icons: a back arrow, a home icon, a person icon with a raised hand (circled in red), and a question mark icon. A red arrow points from the text 'Raise your hand' to this circled icon. Another red arrow points from the text 'Dial in or headphones' to the 'Audio Mode' section, which includes radio buttons for 'Use Telephone' and 'Use Mic & Speakers' (the latter is selected). A third red arrow points from the text 'Ask a question' to the 'Questions Log' section at the bottom of the interface. The interface also includes a search bar, a 'MUTED' status indicator, and a 'Talking: Suzie Smith' label.

Webinar: The Patient's Understanding of Benefit Risk
